

OPERATION 15 YOUTH SUMMER CAMP

2023

Dates: June 5TH – June 23rd
Time: 8:00 AM – 3:00 PM
Location: Groves HS
Breakfast and Lunch will be provided!

Operation 15 Youth Summer Camp offers an exciting summer experience for a select number of SCCPSS rising 7th – 10th graders. They will be given the basic building blocks of leadership training and character building with a military science model of education. These skills will establish a solid foundation in law enforcement through hands on activities, physical fitness, and discussions with community and state leaders. Operation 15 will foster positive relationships between law enforcement personnel, emergency officials, and our county's young people. This experience will serve as an opportunity to help mold our students into tomorrows' leaders and connect with them on an individual basis.
