If Contractor cannot provide the requested documentation for any invoice or portion of an invoice to the District's satisfaction within thirty (30) days of the District's request for documentation, then Contractor will not be entitled to any payment for the undocumented invoice or the undocumented portion of that invoice.

Upon determining that an invoice is properly payable to Contractor, the District shall pay Contractor by check, electronic funds transfer, or credit card within forty (40) days. To the extent Contractor owes the District money in connection with this Agreement or another contract, then the District may also pay invoices submitted by Contractor pursuant to this Agreement by offset or recoupment. If the District pays all or part of an invoice by offset or recoupment, it will provide Contractor with a statement showing how it credited amounts owed by Contractor to the District against that invoice and will provide Contractor with a statement showing Contractor's remaining debt, if any, to the District within thirty (30) days of applying the credit.

8. Reimbursable Expenses: Unless stated in Attachment "B" Price and Payment Information, all prices include expenses. Reimbursable expenses must comply with all Georgia Department of Education regulations in force during the Term of this Agreement, even if those regulations change during the term of this Agreement.

9. Taxes. Contractor will timely pay all taxes lawfully imposed upon Contractor with respect to this Agreement. The District makes no representation whatsoever regarding any tax liability of Contractor, nor regarding any exemption from tax liability related to this Agreement.

10. Delays and Extension of Time. If the Contractor is delayed at any time in the progress of providing goods and/or services by an act or neglect of the District, or by changes ordered in the work, or by labor disputes, strikes, insurrections, fire, acts of God; unusual but well documented and excusable delays in performance, or other causes beyond the Contractor's control, or by delay authorized by the District, then the contract Term of service may be extended by a contract amendment for such reasonable time as the District and the Contractor may agree.

11. Liquidated Damages for Delay. In addition to the Contractor bearing the actual cost of correcting any non-compliant work or any other actual damages resulting from Contractor's breach of this Agreement, the Contractor agrees to pay the Contractor delay damages in the amount of **\$100.00** per day for every day that the goods and/or services to be provided pursuant to this Agreement have not been timely delivered to the District in compliance with the Scope of Services set forth above, unless the delay has been properly excused by the terms of this Agreement. The parties agree that the District's actual damages for delay are difficult to estimate and that this **\$100.00** per day sum is a reasonable pre-estimate of the District's actual damages for each day of delay and that the is **\$100.00** per day sum is intended by the parties to be in the nature of liquidated damages, not a penalty. It is not the parties' intent for this provision to limit either party's remedies against the other for the breach of this Agreement, except for the District's money damages for unexcused delays caused by the Contractor.

12. Supervision of Contractor Personnel. The Contractor must supply all necessary and sufficient supervision over the work that is being performed and will be held solely responsible for the conduct and performance of his employees or agents involved in work under the Agreement.

13. Contractor Personnel. Contractor's staff is expected to present a professional appearance. All personnel of the Contractor will be neat, well groomed, properly uniformed in industry standard uniforms and are expected to conduct themselves at all times in a responsible and courteous manner while performing any work under this Agreement and/or whenever they are on District property. The following code of conduct will be adhered to by the Contractor, his agent(s) and/or his employees. If Contractor fails to ensure that its employees or other agents comply with these requirements, then Contractor may be terminated for cause under this Agreement:

A. All employees of the Contractor shall wear a recognizable uniform. No hats will be worn inside the building. All of Contractor's employees and agents performing work must carry a government-issued photo ID. Contractor's employees and agents will present ID to District Staff upon request. This provision will be strictly enforced.

B. The use of tobacco or tobacco products on Board property is prohibited by State law.

C. The Contractor will not be permitted to utilize Day Labor or Temporary Workers to provide any services at any District facility. This includes any employees or agents that are hired prior to contract award. Failure to comply with this requirement could result in immediate termination of contract with the Contractor liable for any breach, including liquidated damages for delay damages and/or forfeiture of Performance Bond.

D. The Contractor or employees or agents of the Contractor are not permitted to play loud music, to make unnecessary noises, or to use vulgar or inappropriate language that causes offense to others.

Any employee of the Contractor found in violation of this policy will be immediately asked to leave, and will not be allowed to return to perform further work without the consent of the District.

G. The Contractor certifies that he/she will not engage in the unlawful manufacture, sale distribution, dispensation, possession, or use of a controlled substance or drug during the performance of the contract and that a drug-free workplace will be provided for the Contractor's employees or agents during the performance of the contract. The Contractor also certifies that he will secure from any subcontractor who works on the contract, written certification of the same drug free workplace requirements. False certification or violation by failing to carry out requirements of O.C.G.A. § 50-24-3 may cause suspension, termination of contract, or debarment of such bidder

Please Note: If any employee or agent of the Contractor or Sub-contractor is found to have brought a firearm on District property, the Contractor or Sub-contractor shall prohibit them from continuing to perform any work on District property. If the Contractor or Sub-contractor fails to do so, then the District may terminate this Agreement for cause as set forth below.

14. Occupational Safety and Health Acts. Contractor(s) who perform any work under this contract shall fully comply with the provisions of the Federal Occupational Safety and Health Act of 1970 and any amendments thereto and regulations pursuant to the act. Any Contractor who fails to do so may be terminated for cause as set forth below.

15. Audits by The District and Correction of Accounts: During the term of this Agreement and for a period of six (6) years following the termination of this Agreement, the District may begin an audit of Contractor's provision of goods and/or services under this Agreement. Contractor agrees to retain and make available for inspection all of its records pertaining to its performance of this Agreement, including billing records and any banking records that may reflect proceeds from any transactions with the District, during the term of this Agreement and for at least six (6) years following the termination of this Agreement. If Contractor receives notice that The District is auditing its performance under this Agreement or litigation results from this Agreement, then Contractor agrees to retain and make available for inspection all of its records pertaining to its performance of this Agreement, including billing records and any banking records that may reflect proceeds from any transactions with the District, for an additional three (3) years following the conclusion of the audit or the entry of a final judgment in any such litigation and the final resolution of any possible appeals of a final judgment in any such litigation.

If the District determines as result of its audit, that Contractor has failed to satisfy the invoicing or documentation requirements of this Agreement, has improperly billed the District for goods and/or services that were not actually provided, or has overcharged the District for goods and/or services that were actually provided by Contractor, then Contractor shall repay the District, without interest, for any improper payments or overpayments made by the District to Contractor within thirty (30) days of a written demand by the District. If Contractor fails to repay the District for any improper payments or overpayments within thirty (30) days of the District's written demand, then Contractor will owe the District interest accrued daily at the rate of 7.0% per annum from the date of the District's written demand until the improper payment and/or overpayment is repaid in full by Contractor. Conversely, if an audit initiated by the District reveals that the District owes additional compensation to Contractor pursuant to the terms of this Agreement, then the District will pay the additional compensation to Contractor, without interest, within thirty (30) days of the completion of its audit. If the District fails to pay Contractor for any additional compensation owed under this Agreement within thirty (30) days after completion of its audit, then the District will pay Contractor interest on the additional compensation accrued daily at the rate of 7.0% per annum from the date of the completion of the District's audit.

16. Proprietary Information: It is understood and acknowledged that the District may provide to Contractor information which is proprietary, confidential, and/or trade secret including, but not limited to proprietary, confidential, and/or trade secret information of District students, teachers, staff, or other vendors doing business with the District. Contractor agrees to maintain the confidentiality of such information propriety, confidential, and trade secret information during the term of this Agreement and following the termination of this Agreement for so long as such information remains proprietary, confidential, and/or trade secret to the extent that it does not violate the Georgia Open Records Act or any other federal, state, or local laws. All materials containing such proprietary, confidential, and trade secret information shall be returned to the District at the Termination of this Agreement.

The Contractor further agrees to handle any student information in compliance with the Federal Education Rights and Privacy Act, commonly known as "FERPA," codified at 20 U.S.C. § 1232g.

If the District withholds any payments to Contractor pursuant to this paragraph, then the District shall not be required to pay Contractor any amounts ultimately determined to be owed by the District to Contractor under this Agreement until any breach of contract dispute is resolved by the mutual, written agreement of the parties or by the entry of a final judgment by a court of law of competent subject matter jurisdiction and the resolution of any possible appeals from such judgment. Contractor further agrees that it may not charge interest on any payments withheld by the District pursuant to this paragraph until the breach of contract is resolved by the mutual, written agreement of the parties or by the entry of a final judgment by a court of law of competent subject matter jurisdiction and the resolution of any possible appeals from such judgment

This advance written notice shall be deemed to have been given on the date the notice is sent by the District to the address for written notices provided below by hand delivery, U.S. Mail, commercial delivery service, such as Fed Ex or UPS, or fax. If this Agreement is so terminated, then the District shall only pay Contractor for goods and/or services provided by Contractor and accepted by the District up to, through, and including the date of termination. Following the termination of this Agreement under this Section, the parties' duties to one another shall cease except for those obligations that shall survive the termination of this Agreement, including, but not limited to, the District's payment obligations for goods and/or services accepted by the District before the date of termination, and the Contractor's duties to insure and/or indemnify the District and to cooperate with any audit. Termination of this Agreement pursuant to this Section shall not limit either of the parties' remedies for any breach of this Agreement.

24. Fiscal Funding. Notwithstanding any other provision of this agreement, the parties hereto agree that the charges hereunder are payable to the Contractor by the District solely from appropriations received by District. In the event such appropriations are determined by the Chief Financial Officer/Comptroller of the District to no longer exist or to be insufficient with respect to the charges payable hereunder, this Agreement shall immediately terminate without further obligation to the District upon notice that such appropriations no longer exist and are insufficient.

If this Agreement is so terminated, then the District shall only pay Contractor for goods and/or services provided by Contractor and accepted by the District up to, through, and including the date of termination. Following the termination of this Agreement under this Section, the parties' duties to one another shall cease except for those obligations that shall survive the termination of this Agreement, including, but not limited to, the District's payment obligations for goods and/or services accepted by the District before the date of termination, and the Contractor's duties to insure and/or indemnify the District and to cooperate with any audit. Termination of this Agreement pursuant to this Section shall not limit either of the parties' remedies for any breach of this Agreement.

- D.** Contractor, or any of its directors, officers, employees, agents, subcontractors, or any other persons employed or utilized by the Contractor in the performance of this Agreement, is alleged to have committed professional malpractice or violated any professional code of conduct applicable to Contractor (even if the allegations are ultimately proven to be untrue) or has been determined by a court of law, professional association, or government agency, to have committed professional malpractice or violated a professional code of conduct applicable to Contractor; or

If this Agreement is terminated for cause pursuant to this Section, then the District shall pay Contractor for goods and/or services provided by Contractor and accepted by the District up to, through, and including the date of termination, unless the District indicates its intent to withhold payment to the Contractor because the District contends that the Contractor owes the District money under this Agreement or for any other reason.

Following the termination of this Agreement under this Section, the parties’ duties to one another shall cease except for those obligations that shall survive the termination of this Agreement, including, but not limited to, the District’s payment obligations for goods and/or services accepted by the District before termination and the Contractor’s duties to indemnify the District and to cooperate with any audit. Termination of this Agreement pursuant to this Section shall not limit either of the parties’ remedies for any breach of this Agreement.

26. Effect of Later Determination. In the event the parties agree or a court of competent jurisdiction determines (or the parties agree to settle with a consent determination) that a default is wrongful or not the fault of the Contractor, the termination shall be considered to be a Termination for Convenience and the sole remedy available to the Contractor shall be the contractual treatment of the termination as termination for convenience pursuant to Section 23.0 above and without any other damages or relief.

27. 28. Survival of Obligations after Termination: Upon the termination of this Agreement for any reason, the Parties’ duties to one another under this Agreement will cease except to the extent that this Agreement, Georgia law, or Federal law expressly provides that one party has an obligation to the other that shall continue beyond the termination of this Agreement. The Parties agree that the following obligations shall survive the termination of this Agreement: Any express or implied warranties provided by Contractor with respect to the goods and/or services provided under this Agreement; Contractor’s duties to keep proprietary, confidential, and trade-secret information proprietary, confidential, and trade-secret; Contractor’s duties to retain records related to its performance of this Agreement; Contractor’s duties to assist the District in answering any open records acts requests; Contractor’s duties to provide and/or make available its records related to its performance of this Agreement to the District or any other party that The District directs Contractor to provide records to, including, but not limited to, the District’s auditors; Contractor’s duties to help transition the provision of the goods and/or services provided by Contractor to another vendor hired by the District to provide the same or similar goods and/or services; Contractor’s duties to provide supporting documentation to invoices; Contractor’s duties to repay

29. Assignability: The Contractor shall not assign any interest in this Agreement and shall not transfer any interest in the same, whether by assignment or novation, without the prior written consent of the District.

30. Entirety of the Agreement: The terms and conditions of this Agreement and any of the attachments expressly incorporated by reference in this Agreement embody the entire agreement and understanding between the parties hereto, and there are no other agreements and understandings, oral or written, with reference to the subject matter hereof that are not merged herein and superseded hereby. No alteration, change or modification of the terms of the Agreement shall be valid unless made in a writing signed by both parties hereto and approved by the District's governing body, the elected School Board, or its designee pursuant to official board policy. Contractor acknowledges, that pursuant to the doctrine of sovereign immunity, any purported oral modification to this Agreement is unenforceable.

Each party acknowledges participation in the negotiations and drafting of this Agreement and any modifications thereto, and that, accordingly, this Agreement will not be construed more stringently against one party than against the other. Contractor acknowledges, that pursuant to the doctrine of sovereign immunity, purported oral modifications are unenforceable against the District.

31. Waiver: Any failure by the District to require strict compliance with any provision of this contract shall not be constructed as a waiver of such provision, and the District may subsequently require strict compliance at any time, notwithstanding any prior failure to do so.

32. Governing Law: This Agreement shall be deemed to be governed by and construed in accordance with the laws of the State of Georgia, with the exception of any of Georgia's choice-of-law rules that might result in the application of the law of another forum.

Contractor further warrants that it will not enter into any contract with a subcontractor or subcontractor that does not participate in a federal work authorization program. Contractor will require all subcontractors or subcontractors to provide Contractor with O.C.G.A. § 13-10-91 affidavits similar to the ones provided by Contractor to Owner as required by O.C.G.A. § 13-10-91 (b) (3) & (4).

34. Severability. All of the provisions of this Agreement are separate and severable. If any provisions of this Agreement are held to be contrary to law or public policy or otherwise invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the other portions hereof.

35. Contractor agrees to submit to the personal jurisdiction of any such court and agrees that any such

court shall be a proper venue for any lawsuit related to or arising out of this Agreement or Contractor's performance of work under this Agreement. Contractor agrees to waive in advance any defenses of lack of personal jurisdiction or improper venue in any such court.

36. Limitation on the Scope of Services: Contractor understands and agrees that the Scope of Services described in Section 2 of this Agreement and any attachments incorporated by reference is not a guarantee of a minimum amount of payment or profit or a guarantee of a specific amount of work to be performed by Contractor under this Agreement. The District, at its option, may elect to expand, reduce or delete the extent of each work element described in the Scope of Services and may terminate this Agreement early as provided above.

37. Approval of the District's Governing Body, the Elected School Board, or its Designee: Contractor agrees that no contract or claimed modification to a contract is enforceable against the District without the approval of the District's governing body, the elected School Board, or the elected School Board's designee by a formal policy of the elected School Board.
