A. Pricing

No charge will be allowed for those federal, state or local sales and excise taxes where the Board is exempt by state and Federal law. A tax exemption certificate will be furnished by the Board to the successful bidder upon request.

The Board will factor any rebates offered for total dollar volume or quantities ordered over the performance period of this contract in the award of this bid.

NOTE: Although pricing will weigh heavily in the award of this contract, bidders will have to meet lead time, service and quality criteria to be considered a "responsible" bidder who is eligible for award. B. Shipping, Delivery, Terms of Payment & Invoicing

The Board requires orders to be shipped F.O.B. destination to the designated site. Since the successful bidder(s) will be responsible for all freight expenses, the selection of carrier shall be determined by the bidder.

Bidders shall guarantee delivery of supplies in accordance with such delivery schedule as may be provided in the specifications.

The Board's Purchasing Director reserves the right to charge the vendor for each day the supplies or services are not delivered in accordance with the delivery schedule. The per diem charge may be invoked at the discretion of the Board's Purchasing Director and said sum to be taken as liquidated damages and deducted from the final payment, or charged back to the vendor.

Title and risk of loss to the items shall remain with the bidder until the items in a completed state have been delivered to and accepted by the Board.

The successful bidder agrees to reference the following on all shipping documents and invoices:

- 1.) Purchase Order Number
- 2.) Serial Number (as applicable)
- 3.) Part Number/Description/Nomenclature
- 4.) Quantity Ordered
- 5.) Quantity Shipped
- 6.) Site Destination

All invoices should be mailed to:

Savannah-Chatham Co. Board of Public Education
Attn.: ACCOUNTS PAYABLE

Savannah, GA 31401

The bidder shall submit any objections in writing not less than (5) days prior to the opening of the bid. The objections contemplated may pertain to form and/or substance of the ITB documents and specifications. Failure to object in accordance with this procedure will constitute a waiver on the part of the bidder to protest this Invitation to Bid.

F. ITB Interpretations/Addenda

If any questions should arise pertaining to the ITB documents, the bidder may mail or fax a written request for interpretation to:

Savannah-Chatham Board of Public Education

Attn.: Joan Carter

I. Standards of Acceptance of Bid Proposal for Contract Award

The Board reserves the right to reject any and all bids and to waive any irregularities or technicalities in proposals received whenever such rejection or waiver is in the best interest of the Board. All bids and RFP's submitted to the Purchasing Department must be clearly marked with the Bid/Proposal name and number on the outside of the document.

1.0 GENERAL INTENT

The intent of these specifications is to set forth a term bid under which Maintenance and Operations and school sites may purchase custodial supplies as needed for the Savannah-Chatham County Public School District. Any deviations from these specifications must be clearly noted by the bidder. Adequate information to allow the Board to evaluate those exceptions must be submitted with the bid. If bidding other than specified, clearly identify the manufacturer and the part number. Bidders must also submit descriptive literature with the bid.

2.0 SUBMISSION OF BIDS

Bidder(s) shall submit one (1) original document and one (1) copy of the bid response. Each bid must be submitted on the enclosed bid submittal form in a sealed envelope with the company name, solicitation name, bid number and closing date and time clearly identified on the outside of the envelope.

The Savannah Chatham County Public School System will not accept bids submitted by facsimile or e-mail.

3.0 BRAND NAME

Any reference to brand names and code or model numbers in these specifications is offered as point of reference in order for bidders to consider style, sizes, weights, and similar characteristics. Unless "No Substitute" is stated, the use of such brand names should not be interpreted as the exclusive brand desired. However, if other than the specified brand or model is offered, that brand and model number must be clearly indicated. Any item other than that specified or equivalent may result in its rejection. If bidding other than specified, clearly identify the manufacturer and the part number. Bidders must also submit descriptive literature with the bid.

4.0 INTERPRETATION OF THE TERM "EQUAL"

The Board reserves the right to determine the quality of articles bid as alternates, equal,

or approved equal, and further reserves the right to reject any or all articles it so judges as not equal. If any person who contemplates submitting a bid is in doubt as to the true meaning of any part of the conditions and/or specifications, he may submit to the Board a written request for any interpretation thereof, allowing sufficient time, if required for a reply to reach all those who received an invitation to bid and to be acted upon, if necessary, before the time and date of bid opening. The Board will not be responsible for any other interpretations or explanation of the specifications.

5.0 SAMPLES

If other than the specified brand or model is offered, the Board, at its discretion, may request a sample of the item for examination prior to award of the contract. These samples will be provided at the expense of the bidder. Samples will be requested, if necessary, after bid opening date. Samples requested will be shipped to the district at the expense of the bidder, including return freight charges.

6.0 DEMONSTRATION/TRAINING

Successful vendors may be called upon to provide in-house training to Board personnel to demonstrate the most cost effective use of their products. Demonstrations and training shall be provided by the successful vendor at no cost to the district.

Pricing must include freight and be guaranteed to remain firm for the entire stated performance period. **The Savannah-Chatham County Public School District will not honor or consider any price increase, fuel surcharge or add-on costs during the established performance period. Bidders must submit a firm fixed price.**

8.0 MINIMUM ORDER QUANTITIES

Bidder must clearly state any minimum order quantity required by your company or manufacturer to obtain the bid price quoted. This is the minimum number of units that can be ordered on a single purchase order. If no minimum order quantity is specified then SCCPSS will not be required to pay for overages supplied due to "Standard Packaging" at the time of delivery. **Any attempt to institute minimum order quantities or standard package size after bid award may result in contract termination.**

9.0 METHOD OF BIDDING

Bids must be submitted on the basis of individual items. Unit price must be given for each article and the total price of each item must be extended. In case of discrepancy between unit price and total price, the unit price shall prevail. Prices quoted shall include inside delivery.

Quote on each item separately. All or nothing bids, items or groups based on other items or other bids, will not be considered.

10.0 BASIS OF AWARD

If awarded, consideration will be given to any previous performance for the Board as to the quality of service and merchandise and with regard to the bidder's ability to perform, should they be awarded the bid. The Board reserves the right to accept that bid which, in its judgement, best serves the interests of the Board, without regard to the same being the lowest bid. The Board also reserves the right to make a split or total award, whichever it deems to be in the best interest of the Board. In addition, the Board reserves the right to accept or reject any or all bids, and waive informalities. **Any deviations or exceptions to the standard terms and conditions shall result in a status of non-responsive.**

11.0 BID ACCEPTANCE PERIOD

A one-hundred twenty (120) period from bid closing date is generally allowed to review and evaluate responses. There is an expectation that all processes will be completed during this time. If we envision the process will not be completed by the end of the ninety-day period, the district will request a time extension. In the event no extension is requested, the solicitation shall be deemed canceled.

12.0 PERFORMANCE PERIOD

This bid will establish a contract to remain open for one (1) year beginning with contract award date. The district reserves the right to extend for one (1) additional one-year period at the same terms and conditions, if agreed to by both parties. Prices submitted for this bid shall be firm for a period of one (1) year beginning the contract award date.

The Savannah-Chatham County Public School district will not honor or consider any price increase, fuel surcharge or add-on costs during the established contract period.

13.0 TRANSITION PERIOD

Due to the nature of our purchasing process, oft times a transition period is required during the evaluation period, final contract negotiations or contract award and execution. The successful vendor shall agree to maintain the same terms and conditions as the original contract/agreement for a period not to exceed ninety (90) days, if necessary, as a transition period. In addition, if the current provider is not the successful bidder, he or she shall agree to provide the same level of services for a period not to exceed ninety (90) days, allowing for an orderly transition.

14.0 QUANTITIES

The estimated quantities given are intended only as a guide for the bidder. The Board does not obligate itself to purchase the full estimated quantities indicated, even so, the entire amount of any discount offered must be allowed whether or not the purchases are less than the full quantities indicated. The Board's requirements may exceed the estimated annual quantities shown and the successful bidder shall be obligated to fulfill all requirements as shown on the purchase orders, whose mailing dates fall within the performance period of this contract.

Vendors failing to honor or fulfill purchasing requirements during the established performance period, will be removed from the bidder's list for two (2) bid cycles.

15.0 DELIVERY

All items are stocked by our Maintenance Department and will be delivered to Maintenance and Operations Department, 2219 Gamble Road, Savannah, GA 31405. All prices must be FOB Destination with all shipping costs included in the quoted price. In addition, all **deliveries shall be completed within ten (10) days of receipt of order**. Time of delivery is part of the bid and must be adhered to. If it is impossible to meet the delivery specified in the bid, bidder shall state the best delivery possible in the space provided on the Bid Submittal Form. Time shall be stated in days and days shall mean "calendar days".

16.0 INQUIRIES

Interested bidders may contact the District to get clarification of the bid. All questions shall be directed to Vanessa M. Kaigler, Director, **in writing**, to SCCPSS, 208 Bull Street, Purchasing Department, Room 213, or by fax at (912) 201-7648. No employee of the District is authorized to interpret any portion of the bid or to give information as to the requirements of the bid in addition to that contained in the written document. Interpretations of the bid or additional information as to its requirements, where necessary, shall be communicated to bidders by written addendum to all bidders who received the bid from SCCPSS. No questions will be answered by telephone.

17.0 AMBIGUITY, CONFLICT, OR OTHER ERRORS IN BID

If a bidder discovers any ambiguity, conflict, discrepancy, omission or other error in the ITB, it shall immediately notify the Purchasing Director of such error in writing and request modification or clarification of the document. Modifications shall be made by issuing an amendment and shall be given by written notice to all parties who have received this ITB from the Savannah-Chatham Public School System's Purchasing Department.

The Bidder is responsible for clarifying any ambiguity, conflict, discrepancy, omission or other error in the ITB prior to submitting the bid or it shall be deemed waived. The Board of Education will not be responsible for any oral instructions. All addenda shall be acknowledged by the bidder(s).

18.0 DESCRIPTIONS

Descriptions and specifications of items to be priced are listed on the bid submittal form. In the event a bidder is offering other than specified, the bidder must provide complete specifications, manufacturer's name, model number and a complete list of deviations from stated specifications. All determinations of the acceptability of an equal or alternate material or equipment shall rest with the Board staff and the decision shall be final.

19.0 REPORTS

The successful vendor shall provide the Board, at the end of the school fiscal year, reports showing all items and quantities purchased. In addition, the report shall include

any other informative data that may be useful to the Board.

20.0 MATERIAL SAFETY DATA SHEETS

Bidders must submit Material Safety Data Sheets for chemicals listed with the bid submittal. All chemicals proposed shall be free of all toxins harmful to humans.

21.0 INSURANCE

Bidders shall submit verification of insurance as listed on Attachment "B" with the bid. Upon award of a contract the successful bidder will be given five (5) days to provide a certificate of insurance which shall name the Board as certificate holder.

22.0 FISCAL FUNDING

Notwithstanding any other provision of this agreement, the parties hereto agree that the charges hereunder are payable to the contractor by the Savannah-Chatham County Public School System (SCCPSS) solely from appropriations received by the Savannah-Chatham County Public School System. In the event such appropriations are determined by the Chief Financial Officer/Comptroller of SCCPSS to no longer exist or to be insufficient with respect to the charges payable hereunder, this agreement shall terminate without further obligation of SCCPSS at the end of any fiscal period (hereinafter referred to as "Event"). In such Event, the Purchasing Director of SCCPSS shall certify to the Contractor the occurrence thereof.

23.0 TERMINATION FOR CAUSE/DEFAULT

In case of failure to deliver the material or services in accordance with the contract terms and conditions, the Board, after due oral or written notice, may procure them from other sources and hold the bidder(s) responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Board may have.

Specifically, if, through any cause, the bidder(s) shall fail to fulfill in a timely and proper manner their obligations under this contract, or if the bidder violate any of the covenants, agreements, or stipulations of this contract, the Board shall thereupon have the right to terminate, specifying the effective date thereof, at least five (5) days before the effective date of such termination.

Notwithstanding the above, the bidder shall not be relieved of liability to the Board for damages sustained by the Board by virtue of any breach of contract by the bidder. The Board may withhold any payments to the bidder for the purpose of set off until such time as the exact amount of damages due to the Board from the vendor is determined.

24.0 TERMINATION FOR CONVENIENCE

The Board reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, whenever the Director of Purchasing determines that such a termination is in the best interest of Board. Any such termination shall be effected by delivery to the vendor, at least ten (10) working days prior to the termination date, a Notice of Termination specifying the extent to which performance shall be terminated

and date upon which such termination becomes effective. After receipt of a notice of termination, the vendor must stop all work or deliveries under the purchase order/contract on the date and to the extent specified; however, any contract termination notice shall not relieve the vendor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of termination. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit on unperformed services.

A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority of persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. This includes:

1. African - American - A person having origins in any of the Black racial groups of Africa;
2. Hispanic - American - A person of Spanish culture with origins in Mexico, South America, Central America or the Caribbean, regardless of race;
3. Local - A local business enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah Georgia Metropolitan Statistical Area (MSA) prior to the closing date on the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.
4. Women Business Enterprise - WBE - A Women Business Enterprise is an independent, continuing venture that is at least 51% owned by one or more women.
