

Goals for Student Achievement

Bloomington Elementary School students participating in the Title I, Part A program and their families agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards. To understand how working together can benefit your child, it is first important to understand our district's and school's goals for student academic achievement.

SCCPSS Goals:

The Savannah-Chatham County Board of Education is committed to establishing strategic goals which support the Board's Vision and Mission Statement. These goals will be periodically reviewed and updated. The current strategic goals are as follows:

What is a School-Parent Compact?

A school-parent compact is a written agreement between teachers and parents. It is a document that clarifies the school- parent relationship in order to reach high academic achievement for all students. This school-parent compact was solely designed to reflect the needs of your first-grade child. We will use the compact in parent conferences and we will also use it in the classroom. It is grade specific and will only impact your child at the grade he/she is in for the 2022-2023 school year.

Partnerships

Bloomington Elementary School would like to build a positive partnership with our parents. Families members can volunteer through the Beacon Program, attend field trips and events at the school.

With advance notice, your child's teacher is available for conferences before and after school. Contact your child's teacher with question concerning your child's education by calling # 912-395-3680.

Jointly Developed Compacts:

In the spring of each school year, a Family Forum is held to develop our school compacts with input from parents and staff. Additionally, an Annual Evaluation Survey is sent home and posted for family input. Families can also provide feedback on the compacts during the school year to the classroom teacher.

Communication about Student Learning

Two-way communication between teacher and families about their child's success in school will happen in one of the following methods:

- Email
- Notes
- Phone calls
- Conferences (compacts will be reviewed)
- Newsletters
- Text and Apps
