Share **one** of the following with your teacher:

- **SCCPSS Reading log** (Use your own paper for the response if you need more space)
- **myOn on-line reading report** – free online reading offered by *Get Georgia Reading*
- **Copy of completed Barnes & Noble reading log** (3 titles required for SCCPSS credit)
- **Copy of completed Live Oaks “Imagine Your Story” Activity Log**
- **Students entering grades 1-4, read a minimum of 5 stories a week on [Amira](#)**

Summer Reading for students entering **Kindergarten** is recommended, but not required.

Students entering **1st Grade through 5th Grade** this fall should read **3 books** that fall within their Lexile range, from 100 points below to 50 points above their Lexile score. Lexile scores can be retrieved from your child’s homeroom teacher. Students entering 1st grade through 4th grade may read a minimum of 5 stories on the [Amira](#) platform, instead or in addition to other reading.

Grade	College & Career Ready “Stretch” Lexile Bands
1	190L to 530L
2	420L to 650L
3	520L to 820L
4	740L to 940L
5	830L to 1010L

Students are strongly encouraged to read at least one piece of informational (non-fiction) text over the summer. Georgia standards place a strong emphasis on informational text as students are prepared for success in college and career reading.

Note: *If your child’s Lexile score exceeds that of the Grade Level Lexile Band, then he or she should read texts either within his or her Lexile range, or within the appropriate Grade Level Lexile Band as outlined here. A Lexile measure is a good starting point for selecting books but should never be the only factor.*

While Summer Reading is not mandatory, students are highly encouraged to read throughout the summer.

Some titles are suggested below, or students may visit www.lexile.com to find their own books in their Lexile range.
